

CURSOS DE VERANO 2019 EN UNIVERSIDADES EXTRANJERAS

[RWTH Aachen University, Alemania](#)

Agile Innovation: Product Design meets Engineering
Bringing Technological Innovations to Market: The Case of E-Mobility
Automation & Simulation
Automotive & Mobility Studies
Mechatronic Systems Engineering and Product Innovation
Production Technology meets Industry 4.0
Robotics for Future Industrial Applications
Structural Engineering of Industrial Facilities
Sustainable Energy Technology
Smart Electrical Power Systems
Six Sigma Quality Management
Supply Chain Management & Logistics

[TU Berlin, Alemania](#)

Programming in Java
3D-Scanning and Printing
Precision Engineering
CanSat: Satellite Design
Precision Engineering
Innovation & Entrepreneurship
Arduino for Interactive Design
Startup Crash Course
Blue Engineering
Energy Revolution
Introduction to Artificial Intelligence
Space Robotics
Startup Crash Course
Surveillance Technologies & Cultural Transformation
Theory & Computation of Composite Materials
Virtual Reality & Exercise Gaming
Desalination & Renewable Energies
Machine Learning with Python
Migration & Urban Development

System Dynamics Modelling for Business

[Technische Universität München, Alemania](#)

Finding Nano- Nanoscience, Research and Industry in Germany
Summer School with an emphasis on engineering and geodesy

[UBC Vancouver, Canadá](#)

Introduction to Electrical and Computer Engineering
Renewable Energy and Power Conversion
International Business Management and International Marketing
Strategic Management and News Enterprise Development
Big Data and New Technologies in Cities
Clinical Research and Clinical Medicine
Health Care and Living with Long-Term Conditions in the Community
Introduction to Chemical and Biological Engineering
The Engineering of Beverages
Computer Aided Design
Computer Software Applications in Civil Engineering
Structural Materials in Civil Engineering
Advanced Topics in Concrete Technology
Introduction to Electrical and Computer Engineering
Renewable Energy and Power Conversion
Communication and Digital Systems
Engineering the Sound of Music
Principles of the Modern Internet
Green Buildings and Engineering Design
Robotics and Challenges from Computational Intelligence
International Finance, Trade and Politics
Computational Linguistics: From Search Engines to Social Media
International Business Management and International Marketing
Introduction to Marketing & Management and Organizational Behaviour

Convalidación de créditos: <http://www.tecnun.es/alumnos/actividades-acreditadas>

CURSOS DE VERANO 2019 EN UNIVERSIDADES EXTRANJERAS

Strategic Management and New Enterprise Development

Operations and Supply Chain Strategy & Business Analytics

Agribusiness Management

Biochemistry and Molecular Biology in Human Health, Disease, and the Environment

Medical Laboratory Science

Anatomical Sciences

Biological and Clinical Aspects of Aging

Making Better Medicines

Global Challenges and the Environment

The Earth's Oceans, Atmosphere and Climate

Climate Change, Energy and Society

Sustainable Futures

Game Theory and Symmetry

[Yonsei University, Korea](#)

Science & Technology

Applied Life Science in the Modern World

Calculus

General Chemistry

Genetics

General Physics

Innovation and Technology Management

Introduction to Statistics

Organic Chemistry I

Introduction to Computer Graphics

Biochemistry

Introduction to Environmental Studies

Business & Economics

Calculus

Econometrics I

Economic Sociology

Entrepreneurship and Strategy

Global Marketing Management

Global Supply Chain Management

International Economics

International Human Resource Management

International Management

Introduction to Corporate Finance

Introduction to Creativity and Innovation in Organizations

Introduction to Diversity Management in Global Business

Introduction to Investment Management

Introduction to Statistics

Law and Economics

Macroeconomics

Marketing

Microeconomics

Microeconomic Policy

Operations Management

Principles of Managerial Accounting

Principles of Macroeconomics

Principles of Microeconomics

Presentation Skills for Business - TBA

Strategic Management

Innovation and Technology Management

Financial Accounting

Entrepreneurship and Management

[Croatia Zagreb School of Economics and Management \(ZSEM\),](#)

Big Data

Financial Management

International Management

Machine Learning

Managerial Accounting

The legal environment of European business

Applied Creativity and Innovation

CAPSTONE. Measuring & Maximizing Corporate Value

Behavioral Economics

Design thinking

Convalidación de créditos: <http://www.tecnun.es/alumnos/actividades-acreditadas>

CURSOS DE VERANO 2019 EN UNIVERSIDADES EXTRANJERAS

Global Sustainability and Innovation

[ECAM Lyon, Francia](#)

Summer School in Mechanical Engineering

Summer School in Science and Engineering Energy & Sustainability

[Grenoble INP, Francia](#)

Nanotechnology

Smart Energy

[University of Twente, Holanda](#)

Blockchain Tech

Design the Future

Engineering and Security

EntrepreneurialU

Risk Management

Water

Leaders of Innovation and Impact

Risk Management

Robot Interaction Design Experience

Evaluating Future Health Technologies

[University of Glasgow, Reino Unido](#)

Physics

Mathematics

Bioscience for global disease

Essential Genetics

Functional Anatomy

[Coventry University, Reino Unido](#)

International Business

Professional Communication Skills for the International Workplace

Enterprise and Entrepreneurship

Global Health

Employability Skills

Smartphone Apps: From Concept to Design and Market

[Skoltech, Rusia](#)

Summer track

[Linköping University, Suecia](#)

Leadership and Organizational Behavior
in Contemporary Organizations

Nanotechnology - Sustainable Challenges and Social
Impact

Entrepreneurship and Knowledge Implementation for
Improved Health Care

Innovation and Entrepreneurship in a Swedish Context

Convalidación de créditos: <http://www.tecnun.es/alumnos/actividades-acreditadas>
